Congratulations, Wrestling! 4th in Georgia!

Our wrestling team qualified for the state dual tournament for the first time since 2010 when Assistant Principal Billy Broom was coaching. They were the area runner up losing in the finals by only one point. Coach Poston, Coach High and Coach Brown have done an excellent job with our wrestling team this season. The effort from our wrestlers has also been phenomenal. The team record going into the State tournament was 27 wins and 15 losses. Congratulations for coming away **4th in STATE!**
