I absolutely LOVE seeing our DCHS Sport's reach top levels especially our Sports team's that haven't in a while. This has been such an Awesome year for our DCHS Wolverines. Our Wrestling Team was absolutely FIERCE and set records as a team & individually. Our Track & Field Team had more Placers this "Regular Season & Regionals" & now 3 going to State! Tennis Went to Sweet 16!! Our Cheerleaders made it to Sweet 16!! Volleyball had it's First State appearance Ever this year!! I could go On & On because there's PLENTY MORE that had Phenomenal Season. But Dade County Sports & Academics & Band , Etc Etc are on the Rise and this Wolverine Mama is just PUMPED over it 🤗👍👏
