DADE COUNTY SCHOOLS Weekly COVID Report

August 30, 2020

As of August 30, the Dade County School District reports a total of 17 COVID-19 cases across the district, including both students (8) and staff (9). In accordance with the Georgia Department of Public Health's Administrative Order and Quarantine Guidance, approximately 205 students and employees have been quarantined as a result of these cases since school started.

HELP US STOP THE SPREAD!

Dr. Voccio reminds us to be vigilant about **hand washing with soap and water**, **social distancing** and **wearing a mask/face shield**. Parents and Employees should contact their principal when issues arise. The principal, nurse, HR rep and superintendent will work collaboratively with DPH to advise.
