When the going gets tough, the tough get going.
Dade County Schools - Character Strong!

DES S.T.E.A.M team
@DesTeam

Mrs. Barton's class is learning about the stamp act so we did an awesome paper tower stem challenge. Each student had 10 small pieces of an index card and a small amount of tape to make their towers. We saw some awesome paper towers!!

WHAT'S GOING ON AT DCHS?
A global pandemic can't keep us from showing their true colors! 9/4/20
Friday Edition

MOLLY ROGERS
DCHS Cheer Coach
Shout out to Ms. Rogers for putting on a scavenger hunt for our students today. We couldn't have a traditional pep rally, but we could have fun! Stay tuned for the winners! There are slushie passes and the possibility of a \$25 gift certificate to Los Tres Amigos!

FRAT BOY FRIDAY
Covid can't keep us from having fun "prag"ing for tonight's football game vs. Gordon Lee. We took a break from social distancing to show our spirit (with masks).

DR. TURNER PUBLISHED AGAIN
Dr. Turner published her 2nd textbook this summer. This book is all about retaining new teachers. Congratulations!

3D PRINTING PROGRAM
DCHS Mechatronics Teacher, Nick Wilson
"Mr. Wilson and his Mechatronics students are incredibly excited to begin working with the new 3D printer for NASA's Hunch Program. Great things are going to happen in the coming months with this wonderful piece of machinery!"

MS. ANDREA SAVED THE DAY
"Ms. Mazariegos saved the day yesterday when she reported smoke at the Hitting Facility on the DCHS campus. Because she responded quickly, the building was saved. I also want to commend our Director of Facilities, Mr. John Smith. Excellent job, Mr. Smith and Ms. Mazariegos!"
