This is a picture of a Master Teacher named Mr. Chris Chance. He is teaching his heart out in the midst of a global pandemic. He is doing whatever it takes. Let's hear it for our amazing TEACHERS!

WHAT'S GOING ON AT DCHS?
A global pandemic can't keep our Wolverines from showing their true colors. *Wearstays!*

Boys Cross Country Ties for Second, Moves on to State for 1st time Since '93!

With a tie for second in the region, the Boys Cross Country Team just joined Wolverine Softball and Volleyball by earning a trip to State! Andy Breeden (center) finished 5th overall and qualified as an individual runner as well with a time of 16:11. Chandler Bailey finished 8th overall (18:45) and barely missed qualifying. On the Girls' side, we did not qualify as a team, but Anna Ballard finished 2nd overall and qualified to compete as an individual with a time of 20:55. Way to go Runnin' Wolverines!

Tie or Dye Tuesday

Day 2 of homecoming week (and Red Ribbon Week) was full of color as students and staff wore tie dye and said, "Peace Out" to drugs.

More from Meme Monday

Day 1 of HOCO Week was Meme Monday as our students said "look at 'Meme' I'm Drug Free!"

Thriller Thursday is tomorrow! Day 4 of HOCO is Thriller Thursday! Wear your favorite Halloween costume and say "Boo!" to Drugs
