UPDATE FROM THE SUPERINTENDENT

Hello, Dade County Wolverines!

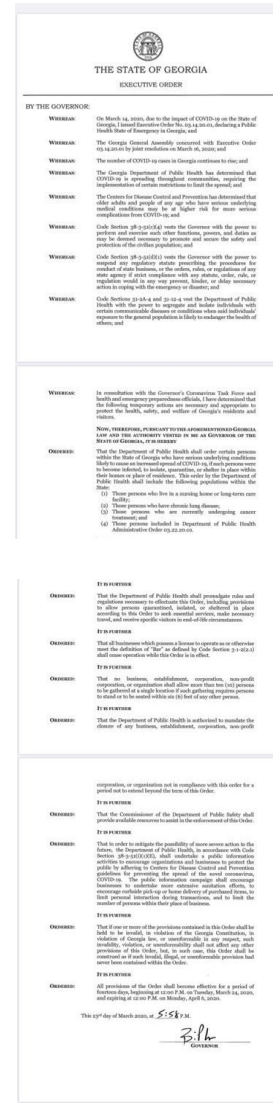

Yesterday [Governor Kemp issued a new Executive Order](#). See photo of his order below.

What does this mean for Dade County Schools?

- All Dade County Schools will remain closed until APRIL 13, 2020.**
- Food will be distributed by bus on Monday and Wednesday this week and next.**
- Spring Break will remain in effect April 6 - 10, 2020. (No meals will be delivered and no digital learning.)**

These are trying times, but we will get through these days of uncertainty. We are thankful we have zero cases of COVID-19 in Dade County. Keep practicing Social Distancing and follow the guidelines recommended by the [CDC](#).

I pray for your continued good health and safety.
