Lady Wolverines Win Region!!!

It's official! For the first time since 2004, our Lady Wolverines Softball Team wrapped up a region championship yesterday. They are currently undefeated in region play and will be going into the state playoffs as the top seed. That means that we will be playing at home during the early rounds of the playoffs. If you haven't seen them in action yet, you are missing out. We will post the playoff schedule as soon as it is available.

WAY TO GO LADY WOLVERINES!
