

Dade County School System is now accepting applications for a Bus Mechanic/Transportation employee for the FY 2023 School Year. Please submit an application along with three professional references to JohnSmith@dadecs.org.

Bus Mechanic /Transportation

Reports To: Director of Operations

Qualifications and Understood Future Requirements: Listing a few

1. Proper certification or equivalent experience and training on school buses and both diesel and gasoline engines.
2. Advanced technical training.
3. Ability to work as a part of a team.
4. Must acquire a CDL license with both P and S endorsements to drive a school bus within ninety days of beginning employment.
5. Able to document and organize into both an electronic and hard copy filing system all routine maintenance and repair work performed on any county vehicle.

Duties: - listing a few

1. Is present at work every day, on time and performs all duties as assigned effectively and efficiently.
2. Do all work on all diesel/gas engines and related parts of valve train adjustments, engine overhauls, installation of water pumps, compressors, turbo chargers, electronic and braking systems, interior maintenance and seal replacements as long as it is more cost and time effective to do so in-house.
3. Perform routine maintenance and safety checks required by the GaDOE Dept. of Transportation in compliance with bus maintenance.
4. Other duties as assigned by the Director of Transportation
