

Agriculture Science Posting: Dade County High School is now accepting teaching applications for the agriculture science program for the 2022-23 school year. All interested applicants should apply through TeachGeorgia. Applicants should also send a letter of interest and resume to DCHS Principal Brent Cooper at brentcooper@dadecs.org and Director of CTAE Tonya Gatlin at tonyagatlin@dadecs.org.

JOB QUALIFICATIONS:

1. Eligible for a Georgia teaching certificate in Agriculture Education (6-12).
2. Strong classroom management skills and a desire to improve the instructional program.
3. Exemplary interpersonal skills and ability to work cooperatively with students, parents, administration, and other stakeholders.
4. SupportS other personnel and school functions as may be required to ensure an efficient and effective work environment.

** Qualified candidates must be able to weld or willing to take classes at GNTC in order to teach one block of Dual Enrollment each semester.

DUTIES AND RESPONSIBILITIES:

Teach agricultural education and dual enrollment welding classes to secondary students. Serve as an advisor to the local FFA Chapter and promote FFA activities as an integral part of the agricultural education experience.
