

Dade County Board of Education is now accepting applications for Director of School Nutrition

Primary Function:

- To plan, direct, coordinate, and administer the nutrition program in compliance with all State and Federal Laws, State Department of Education and Dade County Board of Education policies, rules, and regulations in the area of school nutrition.
- To supervise local schools in the implementation of program standards to ensure the operation of nutritionally sound school nutrition programs.

Requirements:

Educational Level:

- Bachelors or higher

Certification/Licensing:

- Georgia certification S-4 or eligible for Georgia Certification and/or Licensed or Registered Dietitian

Proficiency Skills:

- Written and oral communication skills, administrative, supervisory, and leadership skills.
- Ability to deal with multiple tasks, computer competence, organizational and interpersonal skills.

Such alternative to the above qualifications as deemed by the Board of Education.
