

Dade County Middle School is currently accepting applications for a **Media/Broadcast** teaching position for the 2022-2023 school year.

Experience is needed in teaching film and video production, editing, cinematography techniques, photography, graphic design, and visual communication strategies.

Proficiency with PC platforms is needed.

Software knowledge required: Video editing software such as iMovie, Final Cut Pro, Adobe Premiere Pro and/or other comparable software, and Photoshop.

Experience with media relations, journalism, and live broadcasting will be a plus.

Interested candidates should hold or be eligible to hold Georgia certification and should meet the definition of Highly Qualified.

Certification in multiple subject areas would be a plus.

Interested candidates should apply via www.teachgeorgia.org.
