### CARES Act: SEA Reserve for Equitable Services for School Nurses

March 30, 2021

Dear Private School Officials,

On Thursday, March 25, 2021, the GaDOE State Board of Education approved a grant for School Nursing that is funded through the CARES Act – ESSER SEA Reserve Grant. All LEAs are required by law to reach out to all private schools that serve students who reside in their geographic boundaries, regardless of the private school’s location. In addition, calculations for proportionate share will be based on public school and private school poverty counts from Fall 2018. This applies to the following grants issued in Georgia:

- CARES Act – ESSER I SEA Reserve Grant for School Nurses

All CARES grants are intended to offset impacts related to COVID-19. If your school is interested in participating in these CARES funds or if you have any additional questions, please contact the LEA CARES Coordinator, Josh Ingle as soon as possible at [joshingle@dadecs.org](mailto:joshingle@dadecs.org), or on the phone 706-657-4361.

We look forward to hearing from you.

Sincerely,

Josh Ingle  
Interim Superintendent  
Dade County School District
