### CARES Act: SEA Reserve for Equitable Services

September 28, 2020

Dear Private School Officials,

As a result of a recent US District Court Decision, the CARES Act methodology for determining private school proportionate share has changed. All LEAs are required by law to reach out to all private schools that serve students who reside in their geographic boundaries, regardless of the private school’s location. In addition, calculations for proportionate share will be based on public school and private school poverty counts from Fall 2018. This applies to the following grants issued in Georgia:

- CARES ESSER Formula Grants
- CARES SEA Reserve: Equitable Services
- CARES SEA Reserve: CTAE- Ag
  - Extended Day, Extended Year, Young Farmers, Area Teachers
- CARES SEA Reserve: CTE
  - Extended Day, Extended Year, Supervision, Youth Apprenticeships
- CARES SEA Reserve: Special Education

All CARES grants are intended to offset impacts related to COVID19. If your school is interested in participating in these CARES funds or if you have any additional questions, please contact the LEA CARES Coordinator, Josh Ingle as soon as possible at [joshingle@dadecs.org](mailto:joshingle@dadecs.org), or on the phone 706-657-4361.

We look forward to hearing from you.

Sincerely,

Josh Ingle  
Director of Federal Programs  
Dade County School District
