## **Lexi's Story**

Lexi was taken from us tragically on October 3, 2019 but before she left, she made a huge impact in her family and friends' lives.

Lexi always tried to make people's lives better, make people feel accepted and loved.

Lexi's smile and demeanor naturally put people at ease. With Lexi, life was more than the pursuit of money, career, and success; her ideals were based on people and relationships.

Lexi went out of her way to protect people that could not or would not protect themselves; she would always make a stand against a bully.

This scholarship is about loving enough like Lexi to make a stand for people in our community and the world.
