

Wolverine Weekly
Parent Edition
Volume 2, Week of April 6

I want to encourage students to unplug during Spring Break. As a nation, we are known globally for our fast-food, frenetic, finish line oriented life-style. COVID has forced us to stop, re-evaluate, and reprioritize what is and what is not important. Encourage your kids to rest, to go for walks, to pet their animals, and to relax. Spring is upon us. Looking around, there is beauty; the green of new growth, the purple of the blooming wisteria, the pink of our eastern redbuds, the delicate white of dogwoods. Take time to turn off the news and to take in the gifts Spring is handing us each and every day.

Items of Interest

- Look for information soon for a DMS Virtual Talent Show to happen on May 13! This will be a fun way for our kids to connect and to show off their many talents.
- Thank you to the 117 parents who responded to the survey sent last week. You were able to give feedback on Digital Learning. This was shared with teachers, and we will keep your thoughts in mind as we plan. After Spring Break, Digital Learning will be offered on Mondays, Wednesdays, and Fridays.
- Many of you have expressed concern about cleaning out lockers, honors programs, transition visits for upcoming 6th graders, etc. Until the nation comes out of shelter in place, these cannot be scheduled. Know that I will have a plan in place as soon as things are back to normal.

Feel free to contact me at any time. My email is michellebeeler@dadecs.org.

**Spring Break Quote of the week: "Where flowers bloom, so does hope."
