

**Wolverine Weekly**  
**Parent Edition**  
**Volume 8: May 17, 2020**

While we are in the final countdown to the end of our 2019-2020 school year, many things are happening at DMS. This week will be bittersweet as we close out the year and wish our 8th graders well as they transition to DHS. I look forward to celebrating all our kids on Thursday and Friday.

Check out the renovated Media Center! It is absolutely beautiful. [https://youtu.be/w6Dh\\_sCTX8I](https://youtu.be/w6Dh_sCTX8I). We are also working on several projects around the school, such as updating the student picnic tables. Multiple construction projects continue at DMS.

The highlight of my week was hands down the Virtual Talent Show. I am impressed by the sweetness of our students. In case you didn't have a chance to see it, check it out: <https://youtu.be/E5wlPQt8aiA>

Items of Interest:

- **Ride-Thru Reverse Parade Celebration!** Keeping the same days that were already scheduled on the Big Calendar, we will host a Reverse Parade on **Thursday (10:00-11:00 for 8th grade)** and on **Friday (10:00-11:00 for 6th grade and 11:00-noon for 7th grade)**. This will be staged in the lower parking lot. Cars will enter and make a circle, just as the buses do, before leaving. Report cards and awards will be handed out.
- **Report Cards and Awards:** For those unable to attend the Reverse Parade, report cards and awards will be available in the front office on Mondays.
- **Website:** New information is being added weekly. Check out the resources available for parents and students on the DMS website found at <https://www.dadecountyschools.org/Domain/10>
- **Lost and Found:** If your child has lost valuable items, call the front office. We have several unclaimed dental retainers and other items.
- **8th Grade:** In addition to the drive thru, we are planning a video to highlight each 8th grade student. More details on this forthcoming.
- **DMS on Facebook:** Follow us on facebook. This is an easy way to stay up to date on announcements.
