

**Wolverine Weekly Parent Edition**  
**Volume II. Edition 7 of 2021.**

**New Items:**

- Congratulations to our character winners for this week- Jocelyn Mills, Nate Canfield, Alyson Jenkins, and (Virtual) Kaitlyn Hamlett.
- During times of possible inclement weather, we will send chromebooks home with students. If this is not something that your child needs, please let me know. Teachers have a shared list of students who should not take home chromebooks. I'll add your child to this list if you would prefer. My email is [michellebeeler@dadecs.org](mailto:michellebeeler@dadecs.org).
- DMS can earn money through Box Tops. See the flier above. Download the app. It's easy. Each time you shop, use the app to scan your receipts. See details to the right.
- 8th Graders will register for DHS next week! DHS staff will come to the middle school to meet with students individually. If you have questions about registration, email [jamesemmett@dadecs.org](mailto:jamesemmett@dadecs.org).

**Reminders:**

- Breakfast and lunch are **free** for all children for the rest of the school year!
- Below are the **Milestones Dates**. *With governmental changes, Superintendent Woods is re-submitting our request to waive assessment requirements for this year.*
