SUBJECT: Title IX Coordinator

In May of 2020, the United States Department of Education's Office of Civil Rights (OCR) released new Title IX federal regulations. All K – 12 school districts that receive federal funds are not only required to designate a Title IX coordinator, but also notify school students and parents or guardians. Assistant Principal Brent Cooper is the designated Title IX Coordinator for Dade County Schools. Mr. Cooper's contact information is:

Dade County High School
Attention: Brent Cooper
300 Tradition Lane
Trenton, GA 30752
706-657-7517

It is also important to note that ALL K – 12 employees are mandated reporters for the purposes of Title IX. Any reports of sexual harassment made towards any student and/or employee should be directly reported to the Title IX Coordinator. Furthermore, any report of child abuse must not only be reported to local authorities, but it must also be reported to the Title IX Coordinator.

If you have additional questions related to the designation of the Title IX Coordinator, you may contact Superintendent, Dr. Jan Irons Harris.
