

DCHS Community Service Documentation Form

(2020-2021 school year)

Community Service Award: Dade County High School Students that complete 25 hours of service PER SCHOOL YEAR will receive recognition for Community Service with a special cord to wear at Commencement Exercises upon graduation. The purpose of this community service initiative is to reach out to our community and to instill a lifelong dedication to service.

Requirements: 25 service hours per year of high school, or 100 service hours total. At least 50% of the hours must be obtained from a registered non-profit organization. Dade County High School will not recognize hours completed with organizations that are managed or owned by the student's family. All hours must be documented on a Community Service Documentation Form. At the end of each school year, please make a copy for yourself and turn one in to the guidance department as well.
