LATE/MAKE-UP WORK POLICY

The expectation is that you submit all assignments on time. But, LIFE HAPPENS! I accept late or missing assignments up to five days after the due date. You will lose 20 pts off of your grade.

If you are absent, it is your responsibility to follow proper procedures to ensure that you receive your work. You will have five days to make up any missing assignments.

In the event of a prolonged absence, communication will be KEY! Let me know so that we can work together as a team.

STAY CONNECTED

To support in-person learning and to continue learning in the event of a shut down, we will utilize three main technology platforms: Remind App, Google Classroom, and Apex.

To join Remind, text the message

to 81010.

is the Google Classroom code.

HOMEWORK & ASSIGNMENTS

Yes, we will have homework a few times a week. And sometimes, that means reading outside of class. At the end of class each day, we will record deadlines in our planners as well as secure necessary materials in our homework folder.

All major assignments will be announced on Google Classroom and appear in Infinite Campus. This will make it easier for you to stay caught up on assignments that you missed due to an absence or did not complete during class. Checking Google Classroom and Infinite Campus regularly will ensure your success in my classroom! You've got this!

WELCOME! YOU ARE HERE.

Either in person or online, this class is more than just a classroom. It's a place to learn, to grow, to teach, and to become better people. Let's work together to build up a safe and positive learning environment with lots of energy.

By signing below, I am acknowledging that I have read and understand the syllabus. I will do what it takes to make the magic happen!
